## THEME: IDENTITY IN CHRIST

UPDATED AUGUST 2025

The Fine Arts competition for Summit 2026 is designed to give students an opportunity to grow their talents and abilities to further the kingdom of God. Serving in ministry does not require extraordinary talent, but we should be as excellent as possible in our service (Colossians 3:23).

That is why our judges indicate areas of strength and comment on areas to improve. We desire to see all students use their God-given abilities to the fullest for the purpose of furthering God's kingdom through their local church. We want to teach how to grow not only talent, but a passion for the arts, and learn how to use those gifts in worship.

We ask all participants to prepare their competition entries based on the theme for the year (see orange box above). You can also find the theme, theme verse and a list of supplemental verses on our Summit-Journey website under the information tab.

Please note that there have been some updates and changes to our rulebook as of 2025. PLEASE read through the rules and guidelines to ensure you perform and present to the absolute best of your ability.
